There's a pathway of darkness there's a pathway of light
And they meet at the old crossroads
The angels are calling if your spirit will hearken
All is forgiven, lay down your weary load

Chorus:

You'll be dancin', *dancin'*, dancin', *dancin'*
Dancin' with the angels
Just like old Daniel in the lion's den
The door will be open and the feast spread out before you
Dancin' with the angels while the lions roar.

Old Satan's dark powers are hungry for confusion
Un - satisfied ever greedy for more
When you look in your heart at the spirit there a blooming
If it's bright and shining Satan can harm you no more

Chorus

Kind angels of mercy are waiting there to greet you
Standing on the shores of ever lasting light
They sing, "Come and join us across the shining water!
Our lanterns of love will guide us though the night."

Chorus
