There's a pathway of darkness there's a pathway of light And they meet at the old crossroads The angels are calling if your spirit will hearken All is forgiven, lay down your weary load

## Chorus:

You'll be dancin', dancin', dancin', dancin'

Dancin' with the angels

Just like old Daniel in the lion's den The door will be open and the feast spread out before you Dancin' with the angels while the lions roar.

Old Satan's dark powers are hungry for confusion Un - satisfied ever greedy for more When you look in your heart at the spirit there a blooming If it's bright and shining Satan can harm you no more

## Chorus

Kind angels of mercy are waiting there to greet you Standing on the shores of ever lasting light They sing, "Come and join us across the shining water! Our lanterns of love will guide us though the night."
