

# ‘Til the End of the World Rolls ‘Round Lyrics

Newton Thomas (Flatt & Scruggs 1954)

I tried to sail the sea of life, I rowed my boat alone  
Your love meant nothing to me dear, my heart was made of stone  
To a harbour filled with loneliness my little boat was moored  
And on the day I first met you I fell right overboard

## *Chorus:*

Till the end of the world rolls round  
I'll keep on loving you  
As long as the sun comes up and comes down  
‘Til the big blue sky falls down to the ground  
Long as the world goes ‘round and ‘round  
I'll keep on loving you

Whenever you're around my dear my heart just won't keep still  
And when it comes to kissing you, I'll never get my fill  
They said I'd never settle down, that I would always roam  
I could never be the kind for love and wife and home

So now I know the way I felt was only selfish pride  
I thought my heart was fireproof but you burned your way inside  
So tell me what I've got to do and tell me how it stands  
The cards are on the table, dear, my life is in your hands
