

This Heart of Mine Lyrics

Steven F. Brines and Jim Smoak 1975

This heart of mine is made of silver
This heart of mine is made of gold
It will shine just like a candle
When your world is dark and cold (2x)

This heart of mine is made of timber
This heart of mine is made of stone
Like a bridge across the mountain
When you're lost and all alone (2x)

This heart of mine is made of iron
This heart of mine is made of steel
It won't turn towards another
When the wind is on the hill (2x)

This heart of mine is made of silver
This heart of mine is made of gold
It will shine just like a candle
When your world is dark and cold (2x)
