

Dancin With The Angels Lyrics

Peter Rowan

There's a pathway of darkness
There's a pathway of light
And they meet at the old cross roads
The angels are callin' if your spirit will hearken
All is forgiven, lay down your wear load.

Chorus:

You'll be dancin', *dancin'*, dancin', *dancin'*,
Dancin' with the angels
Just like old Daniel in the lion's den
The door will be open
And the feast spread out before you
Dancin' with the angels, While the lions roar.

Old Satan's dark powers
Are hungry for confusion
Unsatisfied ever greedy for more
If you look to your heart at the spirit there a bloomin'
If it's bright and shining, Satan can harm you no more.

Kind angels of mercy
Are waiting there to greet you
Standing on the shore of everlasting light
They sing "Come and join us across the shining water
Our lanterns of love will guide us through the night."
