I tried to sail the sea of life, I

rowed my boat a - lone. — Your love meant no-thing to me, dear, my heart was made of

stone. To a heart that's filled with lon-li - ness my lit-tle boat was moored, — and

on the day I first met you I fell right o-ver - board. 'Til the end of the world rolls

'round I'll keep on lov-ing you, as long as the sun comes up — and comes down, 'til the

big blue sky comes down to the ground, long as the world goes 'round and 'round I'll

keep on lov - ing you! — you!
